

THE WEEKEND

WHAT IS THE WEEKEND?

Shifting gears and venturing beyond the usual bounds of everyday life, we want to unlock the possibilities that transcend the ordinary. Stepping out of the cozy confines of our home propels students into an immersive event where they can truly experience God's creation, fortify their bond with Jesus, and establish genuine connections within their Connect Groups, free from external pressures or disruptions. The Weekend is a dynamic two-night winter retreat tailored exclusively for high school students. Get ready for unique worship, captivating Connect Groups, and messages aimed at deepening students' understanding of God.

2026 THEME

This year at The Weekend we will be answering the question "How do I practice being in the presence of God?".

IMPORTANT FORMS

The required release form and the medication form (if sending meds) must be completed prior to students getting on the bus. The link to the forms will be included in the confirmation email that you receive after registering for the Weekend. The registration process is not considered final until the release form is submitted.

EVENT SCHOLARSHIPS

We understand that asking for help in difficult times can be hard, but we don't want finances to be a reason a student can't attend The Weekend. Within 7-10 business days of filling out the form, someone from our student team will be in contact with you. We have limited resources for scholarships so please be mindful of others who may have a greater need for financial assistance. The final day to apply for scholarship is December 14, 2025. The scholarship request form can be found on the registration link at sugarcreek.net/events.

REFUND POLICY

We fully understand that the unexpected can happen and a student who has registered and paid for an event may no longer be able to attend. Refunds may be requested and given according to the registration period that the request is made. If a refund is requested during the Early Bird Registration dates (October 5 – October 26, 2025), a 50% refund may be issued. If a refund is requested during the Regular Registration dates (October 27 – December 14, 2025), a 25% refund may be issued. Once registration is closed (December 14, 2025), refunds will not be issued. All refunds must be requested via email to students@sugarcreek.net.

MEDICATION

- All prescription and non-prescription medication will be administered by our Event Nurse and will need to be turned in at check-in.
- All medications need to be in the original bottle with **only the quantity** needed and placed in a sandwich size, clear zip lock bag.
- The medication and medication form (see "important forms" section) will need to be turned to the Event Nurse at check-in on the day of the event.
- Any student found in possession of medication that was not checked-in (prescribed or unprescribed) could be sent home immediately.

MEALS & MERCH

- Meals at The Weekend, that are included in the cost of registration, are as follows: Saturday breakfast, lunch, and dinner as well as Sunday breakfast.
- We will stop for one meal on Friday and one meal on Sunday, so students will need \$30 for those meals.
- Additionally, during registration students can order an add-on retreat shirt if they wish but it's important to note that shirts are first come first serve while supplies and sizes are available.

- If students wish to purchase any additional food, snacks, or other Student Ministry merch, they will need additional spending money.
- Pro-tip: If you are sending additional money with your student, consider sending them with a pre-paid card and write their name on it. We will accept card payments while at The Hike and pre-paid cards will help students not lose their spending money. Please note, however, that students will not be able to use third-party bank apps like CashApp, Venmo, Zelle, and PayPal to purchase merch while at The Weekend.

TRAVEL

All travel times are approximate and may vary depending on traffic to our destinations. For student travel, we typically subcontract charter buses. Pick-up and drop-off will take place at the [Chapel of the Sugar Land Campus](#) in Sugar Land, Texas.

EVENT ACTIVITIES

Treks are designed so that students can spend the most time with their connect group while at The Weekend. LoneHollow Ranch offers a variety of awesome activities that students will get to experience during their treks on Saturday! All activities will require students to wear closed-toe tennis shoes.
